

VIP: Vocational training In Prison
Analysis of innovations introduced in daily activities

1 What is the innovation recognized? (description of the innovation)

- create training paths, which allows participants to focus on managing challenges in work in prison, for working on diverse challenging situations that we'll happen in to the prison
- increase developing forms of work where the inmates can acquire and prove skills and receive a wage that is not symbolic.

2 Why is it innovative for your organisation? (describe what kind of improvement it will offer to your organisation)

trainers that could start working in a prison have to know about the judicial system and penitentiary administration; and they need constant supervision, in addition working with seven countries exchange experiences and know-how, has been an important learning for our organization.

3 How do you carry out it?

Implement the Lazzarelle's model by creating a network of partners who want to develop the process
